

Media Consent/Release Form

True Orthodontics, PC., and Dr. Lupini will promote the scholarship program and its winners in different media outlets. Such media helps grow future interest in our practice which provides the opportunity to keep such an amazing program funded. Student and family participation in such promotional events is strongly encouraged.

We require the student and their family of choice to receive the students award at our office. At the office visit we will take pictures and video with the student, their family, and staff.

We kindly ask that the student and their family participate in any social media postings and share with their friends and family. Social media participation is the most important outlet to promote our scholarship program.

The pictures and video will recognize the student, the Dr. and our practice in social medias, press publications, and our website.

True Orthodontics, PC., and Dr. Lupini give authorization to the student and their families to publish any social media postings promoting our office and their scholarship award.

I give consent for myself and my child to be photographed for the True Orthodontics, PC Scholarship Program, understanding that the photos and video are authorized to be released to the public.

PARENT/GUARDIAN'S SIGNATURE: _____ Date: _____

STUDENT'S SIGNATURE: _____ Date: _____
